

Trusting the Precious Cornerstone Isaiah 28-31

What was going on with Israel at this time? (30:1-2)

She had some sort of faith in God for spiritual concerns.

But she was taking other steps to take care of her geopolitical concerns.

What will happen to Israel as a result of this? (31:1)

She faces woe — punishment from God.

Why was what Israel did so wrong?

Because God has laid in Zion a precious cornerstone — that whoever believes will not be in haste.

Jesus Christ the Precious Cornerstone

HOME GROUP DISCUSSION OF SUNDAY'S TEACHING

(Sometimes in our home groups we talk about Sunday's teaching, so we can work together on responding to God's Word — asking questions, sharing insights, talking together.)

What was the Holy Spirit saying to you Sunday through this passage?

What questions, ideas, objections, encouragements did you come with?

Have you ever thought that being a Christian meant trusting Jesus just for spiritual concerns like forgiveness of sins? Why did you think that? How did that affect your life?

How do you feel about God giving us the foundation of a tested, precious cornerstone on which He wants us to build every part of our lives. Does that encourage you? Threaten you? Overwhelm you? Why?

Can you see how Jesus Christ perfectly pictures for us this foundation of a cornerstone? Can you see that Jesus is perfectly tested? Infinitely precious? Absolutely unshakeable? And that by His life, death, and resurrection — those who trust Him will never be in haste?

Which area of your life do you need to trust more to Jesus Christ? What's kept you from doing that? What promises in God's Word are relevant? What commands are relevant?

What's your take-away from this message? What are you going to do differently? When? How?

Share prayer requests that come up in the discussion, jot them down below, and pray for each other.
